

Better Product - Better Value

A "NEW" product that makes sense and more economical!

- Pot Perm® Plus is more effective in converting dissolved iron and manganese to insoluble oxides which can easily be removed through filtration.
- Lab Tests confirm that Pot Perm Plus is more effective maintaining maximum performance in Green Sand Iron Filters.**
- NEW proprietary formula allows for more stable pricing.
- Pot Perm Plus - NSF certification in 2013.

Additional Benefits

- No change to dosage or settings on your Iron Filter.
- Formulated with Pro Products goal of Sustainable Lifecycle Management.

** Testing performed by an independent 3rd party laboratory in a controlled environment.
